OBJECTIVE

Innovative and driven Computer Science student with a passion for developing impactful, user-centric software solutions. Thrives in collaborative environments and leverages modern web technologies to build scalable, high-performance applications.

EDUCATION

B.Tech in Computer Science, Mahakal Institute of Technology, Ujjain
2022 – 2026

CGPA: 6.88

Higher Secondary, Government School of Excellence, Ujjain
2020 – 2021

Scored: 89.6%

SKILLS

Languages: C++, Python, JavaScript

Web Technologies: HTML, CSS, Bootstrap, Tailwind CSS, React, Node.js, Express.js

Version Control: Git, GitHub

Other: Data Structures and Algorithms

Soft Skills: Problem-Solving, Communication, Analytical Thinking

TRAINING EXPERIENCE

Cognifyz Technologies – Front-End Intern (Remote)

Feb 2025 – Mar 2025

- Developed and optimized responsive web interfaces using React, Tailwind CSS, and JavaScript.
- Collaborated in a fast-paced team to streamline development workflows.
- Enhanced UI performance and implemented reusable components.

Jobsense Institute – Front-End Trainee (Ujjain)

Oct 2023 – Nov 2023

- Built projects using HTML, CSS, JavaScript, Tailwind CSS, and React.
- Delivered projects like E-commerce Site, Task Manager, and Weather App.

PROJECTS

SynapShare (MERN Stack)

Developed a centralized platform for BTech students to share academic resources and stay updated with tech news. Integrated features for uploading, accessing, and curating notes and articles.

CodeRank (React, Tailwind CSS)

Built a coding practice platform targeting beginner to intermediate level learners. Implemented problem sets supporting multiple languages and performance tracking.

Other Projects:

Capture Crew (Portfolio Website), Amazon Clone, To-Do List App, Calculator, Weather App, Notes App, Login/Signup Form, Movie Info Website.

ACHIEVEMENTS & AWARDS

- Champion & Runner-Up in multiple inter-college quiz competitions.
- Participated in 5+ Hackathons including one global event.
- Volunteered and led initiatives in TEDx, college fests, and Deepjyoti Arpanman.
